Commitment to Participation

All-Stars requires a commitment from the player and the parents to ensure that everyone who requests consideration for selection understand the level of participation. All players are expected to be available for the full schedule of practices and games from June 15 to July 15. Without full cooperation the team's chances of succeeding are greatly reduced.

Prior Commitments

We understand that prior commitments may exist and we ask you list below any dates that the player will not be available for practices or games. It is important that you disclose all information so that the managers can evaluate how the team may, or may not, be affected by the absences when making their selections. Listing of dates will not automatically exclude your child from being selected for the All-Star team, rather, it will allow the managers the opportunity to make better selections with all the information at hand. **The manager has the discretion to remove the player from the team if absences occur other than those listed below.**

Please check the UCLL website for the complete schedule for each division as to the dates of each tournament and the subsequent tournaments the teams could be involved in if their teams win and move on.

Minimum Play

The purpose of the All-star tournaments is to see how UC's best compares with the best from other leagues. For players at the Majors level and above this could take them all the way to a World Series. To that end, the "best team" must be put on the field at all times. This will mean that playing time is not equal for all players. Minimum play for the All-star tournaments is 1 defensive inning and 1 at-bat. By signing this you acknowledge and accept this.

Uniform

University City Little League will provide the Jersey, hat, socks and belt to the players who make All-stars. Parents will be responsible to provide the pinstripe pants.
