

# UNIVERSITY CITY LITTLE LEAGUE

## Winterball 2010

### REGISTRATION FORM

UCLL Winterball program is about development of the players.

UCLL will interleague with other leagues within District 32. Winterball is a great way for players moving up a division to get familiar with the new rules or looking for more development in a particular position (i.e. pitching). Please note: UCLL may need to have pool players (this depends on the number of players that register – we need 12 per team).

TENTATIVE SCHEDULE: September 12 through November 21 (Games played on Sundays only)
